

FOURTH YEAR.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can use over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade and advertisement should be paid for, no matter in what part of the paper they appear.

The Continued Calls

upon The Ledger for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppliers,

carriers, etc., or other public enterprises, where a fee is charged, and for ordinary notices, read of respect, etc., The Ledger will charge five cents a line, and hereafter this will be the inevitable rule. This, however.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for business notices in this ledger is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. It is the policy of this ledger to give local insertion in the paper. I will tell you when to take it out, it says to the bookkeeper. But he forgets all about it. The notice runs for two months—24 times—the bill is \$12.00. When he finds this bill is a "kick" and a controversy, followed probably by an angry letter, and the notice is not paid for. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

Dr. C. C. Owens has returned from New York.

Mr. Robert Bissett, Jr., is attending school at Oxford, O.

Hon. F. B. Trussell of Toledo was in the city Monday.

Miss Abbie Pickett is the guest of relatives at Cynthiana.

Mr. and Mrs. Henry C. Bendel have returned from Cincinnati.

Mr. and Mrs. L. W. Robertson have returned from a sojourn in New Hampshire.

Mrs. Posey D. Ball of Henderson is visiting her parents, Mr. and Mrs. J. M. Frazer.

John Butler and son left yesterday morning for their future home in Covington.

Miss Rita Everett, after a visit to friends and relatives in this city, left for Louisville Sunday.

Mrs. Thomas Rogers of Wichita, Kas., arrived last night on a visit to relatives in this city.

Mrs. H. C. Smith and niece Miss Mary Belle City are visiting Mrs. George Bowman at Newport.

Mrs. T. A. Prather of Flemingsburg is the guest of her mother, Mrs. Rogers of East Third street.

Mrs. Susan Castata of Hamilton, O., is visiting her daughter, Mrs. T. M. Luman of Commerce street.

Mrs. E. T. Thompson and daughter Sallie of Lee street are visiting relatives and friends at Covington.

Mrs. Henry J. Shea and son Frank spent Sunday in Vanceburg with her parents, Mr. and Mrs. Thomas Tammam.

Mrs. Albert Moran and daughter Miss Lois, also Miss Jennie Morford have returned from a pleasant visit to friends and relatives in Covington and Newport.

Mrs. Eleanor Case is seriously ill at her home on Sutton street. This venerable lady received an ugly fall several weeks ago and has been bedfast ever since.

Miss Mattie Fitzgerald, aged 19 years, died Sunday night at Lexington of typhoid fever, and was buried this morning in Franklin county.

Lee Morgan, aged 31, and Miss Nettie Collins, aged 19, both of this county, were married yesterday by Judge Hutches.

We thought something was the matter with Mr. M. F. Marsh from the way he is smiling. It's an eleven-pound boy, he was born Sunday, and it's name is John Robert Marsh.

Regular meeting tonight at Hall on Station street at 7:30. All members are requested to be present. Communication from the Grand Lodge of Importances to all.

R. H. VANJACK, M. W.

When sermons are ten minutes long and never state a fact;

When congregations rise and pay before they pass the hat;

When silver jingles everywhere and banks go not to small;

When bill collectors are to spare and people buy for cash;

When politicians join the church and cease to plot and plan;

When there are fifty offices to every bloated man;

Then will the great millennium dawn for giddy. But, alas!

You'll die while you are waiting for these things to come to pass!

J. WHEELER.

On Wednesday, October 9th, is the 54th anniversary of the great fire at Chicago.

Dr. H. K. Adamson is a candidate for Representative on the Democratic ticket.

"I was troubled for a long time with an itching humor on the scalp," says Mr. D. P. Davis, Neale's Landing, Fla., "but at last, being recommended Ayer's Hair Vigor, I tried it, and a complete cure was effected." Everyone who has used it speaks well of this dressing.

Colonel W. O. Bradley will speak at the Courthouse in this city next Saturday afternoon at 2 o'clock.

One of Mason's solid Republicans remarked to us yesterday, against the convention. "It was the greatest outrage ever perpetrated. Let me tell you, if the Republicans at large had had the least idea that such a thing was contemplated the Courthouse wouldn't have held the crowd."

THE HUGHES CASE.

The Coroner's Verdict Holds the Trainmen Responsible.

George Hughes, the unfortunate man who fell off the Huntington Accommodation near Springdale Saturday night, striking on his head, being killed almost instantly, was buried yesterday.

The Coroner held an inquest over the remains, and the verdict of the Jury was that "he came to his death through the negligence of the trainmen by not stopping the train."

Is it possible that the train crew—engineer, fireman, brakemen, conductor and collector—knew that Mr. Hughes was going to fall off the train? If they did they were smarter than most crews.

But we fail to see why the crew of the train should be held responsible for the man's falling off, when he had no business being on the platform of the car while the train was in motion.

The train stopped at the station, and why did Mr. Hughes desire to get off before the train reached the point it usually stopped at?

But we guess the Coroner's Jury knew what it was about when it brought in the verdict!

LEWIS COUNTY REPUBLICANS.

They Instructed For a Mason County Man—None to Vote For.

At a meeting of the Republicans of Lewis county, held at the Courthouse in Vanceburg on Saturday, October 5th, for the purpose of selecting delegates to the Republican Convention, to be held in this city Saturday for the purpose of nominating a Republican candidate for the State Senate in the Thirty-first Senatorial District, composed of the counties of Mason and Lewis, Samuel G. Hillis was appointed Chairman and John E. Littleton Secretary.

The following named persons were appointed delegates to the Maysville Convention:

Marshall Bettram, John B. Book, James Cooper, D. D. Perkins, Dr. A. D. Hendrickson, A. B. Miller, Dr. William Bowman, Jack Hendrickson, A. G. Wilson, John E. Littleton, S. G. Hillis, E. A. Jones, Ed. Williams, George W. Deane, Dr. J. P. Huff, W. B. Pugh, David Smith, W. A. Plummer.

The following resolution was adopted: "Resolved, That Mason county is entitled to the candidate for the Senate in this Senatorial District and the delegates appointed by this convention are instructed to vote for the nomination of the candidate agreed upon by the Mason County Republicans in their County Convention, and the delegates from Lewis county are instructed to vote as a unit in the nomination of a candidate and upon all questions, which may come before the convention."

It was ordered that the proceedings of the convention be published in The Vanceburg Sun and The Maysville Public Ledger.

The convention then adjourned.

SAMUEL G. HILLIS, Chairman.

JOHN E. LITTLETON, Secretary.

But notwithstanding the above a Lewis county person was selected by a packed convention, therefore there is no Mason county man to vote for.

Winchester, Oct. 8th, 2 p. m.
Nicholasville, Oct. 9th, 2 p. m.
Cynthiana, Oct. 10th, 2 p. m.
Paris, Oct. 11th, 2 p. m.
Mayville, Oct. 12th, 2 p. m.

Auburn, Oct. 15th, 1 p. m.
Palmersville, Oct. 17th, 12 m.
Covington, Oct. 19th, 2 p. m.
Shepherdsville, Oct. 21st, 2 p. m.
Hodgesville, Oct. 23d, 2 p. m.
Lancaster, Nov. 4th, 2 p. m.

The papers outside of the state have a standing joke about the aversion which Kentuckians have to that wet article called water. But just now the most expert and confirmed tipplers in the state would be willing to trade off a few million gallons of bourbon for as much rain.

At Lancaster the scarcity of water was demonstrated Monday when a number of watermen hired a two-horse wagon and drove three miles to the river to wash linen. Some citizens, who are fortunate enough to have water in their cisterns, say that it is stolen during the night. Others lock their pumps to keep water from being stolen.

In Robertson county farmers have been hauling water for some weeks, and if it does not rain soon stock will suffer, and all the water used will have to be hauled from the large streams.

In Boyle county stock is being driven miles to water.

It has been ten weeks since Cumberland county has had a good rain. Wells and springs which have heretofore furnished water in dry seasons have stopped flowing, and the creeks are going dry. Many farmers are forced to drive their stock to the Cumberland river for water.

No rain of consequence has fallen in Gallatin county since spring, and the ground is thoroughly dry for five or six feet down. In some instances farmers have to go ten miles for water for stock and domestic purposes.

Streams in Adair county have almost stopped running.

In the Bluegrass the farmers are feeding stock, the fine pastures have been almost completely burned up.

In Mason county the pastures are as bare as the turnpikes. In one case a farmer saves the water he washes his face and hands with to give his hogs and poultry to drink.

Moody is arranging to have a Bible given to each one of the 750,000 criminals in this Nation.

Sarsaparilla, and very soon grew better. After using half a dozen bottles I was completely cured, so that I have not had a boil or pimple on any part of my body for the last twelve years.
